**Brief facts emerging from the appeal :**

Records emerging from the appeal disclose that the Appellant, Shri Tamchi Gungte had requested the PIO for the aforementioned information/documents but failed to obtain the same which prompted him to appeal before the Chief Engineer (RWD), (E/Z), Govt. of Arunachal Pradesh, Itanagar, the First Appellate Authority (FAA) under Section 19 (1) of the RTI Act, 2005 vide Memo of Appeal dated 26.12.2024.

Records further disclose that the FAA, who received the appeal on 30.12.2024, did not adjudicate on the appeal but merely forwarded the appeal to the PIO o/o the E.E (RWD), Khonsa Division vide letter dt.15.01.2025 signed by PIO/APIO o/o the C.E (RWD)(EZ), with an advice to reply to the appellant directly. Such a response from the FAA, who is a quasi-judicial authority under section 19(1) of the RTI Act, is totally in violation of the mandate of the RTI Act which makes the case fit to be remanded to him for adjudication.

Be that as it may, the appellant having felt aggrieved by such response from the FAA, filed his 2<sup>nd</sup> appeal before this Commission under Section 19 (3) of the RTI Act, 2005 vide Memo of Appeal dated 18.02.2025 which has been registered as APIC-200/2025.

**Hearing and decision:**

This appeal is, accordingly, is listed today on 6<sup>th</sup> June, 2025 wherein the appellant, Shri Tamchi Gungte is present in person while the PIO is represented by his APIO, Shri Rigi Geyi, Draughtsman-II, o/o the EE (RWD), Khonsa Division.

Heard the parties.

The appellant reiterated his demand for the requested documents /information from the PIO. The APIO submitted that on bifurcation of the office of EE(RWD) Longding Division from Khonsa Division in the year 2017, most of the records pertaining to the 5 schemes were handed over to the Longding Division and as such most of the requested documents are not available with the Khonsa Division. He, however, submitted that he has brought in whatever information available in Khonsa Division. The appellant, in response contended that if the records were transferred from Khonsa Division to Longding Division as claimed, the PIO ought to have transferred his RTI application within the statutory period prescribed under section 6 of the RTI Act and further that the PIO, Khonsa Division having failed to comply with the mandate of law, it should collect the requested documents from the Longding Division and furnish to him. The appellant further pointed out that the documents brought in by the PIO are not properly indexed as per his RTI application making it difficult to comprehend.

This Commission upon hearing the parties and on perusal of the documents brought in by the APIO, observed that the documents were indeed not indexed. The documents have, therefore, been returned to the APIO furnish to the appellant with proper indexing and signature of the PIO with seal. This Commission also observed that the PIO failed to follow the procedure prescribed by sub-section (3) section 6 which provides for transfer of RTI application by the PIO who does not hold the requested information to other PIO who holds such information within 5(five) days.

As such, this Commission, while endorsing the contention of the appellant, directs the PIO, EE (RWD), Khonsa Division to collect the documents from the o/o the EE, Longding Division and furnish to the appellant. The EE(RWD), Longdin Division is also directed to provide the requested documents to the EE, Khonsa Division as mandated under sub-section(5) of section 5 of the RTI Act so as not to constrain this Commission to take avoidable penal action under the RTI Act.

The PIO, o/o the EE(RWD), Khonsa Division and the EE(RWD), Longding Division shall comply with the above direction within 4(four) weeks from the date of receipt of this order and in any case before 11.07.2025, the next date of hearing.
