Brief facts emerging from the appeal:

Records emerging from the appeal disclose that the Appellant, Shri Pisa Tapam had requested the PIO for the aforementioned information / documents but failed to obtain the same which prompted him to appeal before the Chief Engineer (RWD), (PMGSY) Govt. of Arunachal Pradesh, Itanagar as the First Appellate Authority (F.A.A) under Section 19 (1) of the RTI Act vide his Appeal Memo dated 29.04.2025. But having failed to obtain any response from the PIO or the FAA the appellant filed his 2nd appeal before this Commission under section 19(3) of the RTI Act vide Memo of Appeal dt.14.07.2025.

Hearing and decision :

The appeal was, accordingly, heard on 17.09.2025 wherein both the PIO, Er. Shri Tame Tach, EE and the appellant, Shri Pisa Tapam were present in person.

The appellant reiterated his demand for the requested information. The PIO, on the other hand submitted a written statement dt 16.09.2025 stating therein that requested information in regard to the schemes in question i.e VVP schemes which are being executed in border area come under the exemption clauses under section 8(1) (a) of the RTI Act as involving security of the State and therefore, can not be furnished. The appellant, however, contested the PIO's submission by saying that the PIO is trying to avoid furnishing the documents on lame excuse because information in respect of similar works in similar border areas like Koloriang and the in the area under Anjaw Distt. itself have been provided by other public authorities.

This Commission, after hearing both the parties, then directed the PIO to submit in the next hearing a certificate from competent authority to the effect that the roads being constructed falls in sensitive locations from the security point of view and that the disclosure of information in respect of the projects mentioned in the RTI application of the appellant would prejudicially affect the security of the State and adjourns the hearing to 22.10.2025. The PIO, during the course of hearing, had assured that in case he fails to produce the aforesaid certificate in the next hearing, the requested documents shall be furnished to the appellant, which this Commission and the appellant had agreed to.

Today on 22.10.2025, the appellant, Shri Pisa Tapam is present through VC while the PIO, Er. Shri Tame Tach, EE is present with the requested documents/information who submitted that he could not obtain the certificate exempting the disclosure of documents in respect of the projects undertaken in border areas under section 8(1)(a) of the RTI Act and therefore, he has brought in the documents as assured.

Since the appellant is not present physically, the documents have been retained in the custody of the Commission which the appellant shall collect within 3(three) weeks from today and intimate his satisfaction or otherwise therewith on 16.01.2026 the next date of hearing which has been fixed on the request of the PIO.

Given under my hand and seal of this Commission on this 22nd Oct., 2025.
