The PIO did not appear in any of the dates. On 14<sup>th</sup> May, 2025, however, Er. Shri Tumba Ingo, A.E representing the PIO was present in person and submitted that due to acute shortage of staff in the o/o the PIO and the voluminous nature of information/documents requested by the complainants/ appellants, the PIO could not furnish the requested information. On the other hand, the complainant/appellant submitted that the sought for information is specific and for one scheme only which the PIO can arrange to furnish without any difficulty.

This Commission, upon perusal of the details of information/documents requested by the complainants/appellants did not find that voluminous and therefore, directed the PIO to provide the same within 30 days from 14.05.2025 or on or before 13.06.2025 i.e the next date of hearing.

In today's hearing also the PIO did not appear either in person or online without any intimation nor did he depute anyone.

The appellant, who is present in person today on 13.06.2025, expressed his disappointment over the response of the PIO and demanded for an penal action under the relevant provisions of the RTI Act.

The continued absence of the PIO in the hearing without any intimation has been viewed seriously by this Commission.
