According to Information provided by the departments, the total number of Public Authorities in the State is 78 and the number of Public Information Officers is more than 310.

The Right to Information Act, 2005 is a landmark legislation that has transformed the relationship between the citizen and the State. This legislation has been created for every citizen to hold the instrumentalities of Governance accountable on a day to day basis. The legislation perceives the common man as an active participant in the process of nation building by conferring on him a right to participate in the process through the implementation of the Right to Information Act.

It has been 14 years since the RTI Act has been in operation in the State. The State Public Information Officers and Appellate Authorities are quasi-judicial functionaries under the RTI Act with distinctive powers and duties and they constitute the cutting edge of this “Practical regime of information”, as envisaged in the preamble of the Right to Information Act. Together, they create an effective, mechanism for disposal of increasing numbers of requests for information being received from the citizen of India.

The Arunachal Pradesh Information Commission has prepared the Annual Report for the years 2019 and while preparing the same, many government functionaries have extended help in many ways for bringing out this Annual Report.

THE ARUNACHAL PRADESH INFORMATION COMMISSION

CHAPTER-I

INTRODUCTION

Freedom of information is a fundamental human right and this was recognized by the United Nations at its very inception in 1946 when the General Assembly resolved: “*Freedom of Information is a fundamental human right and the touchstone for all freedoms to which the United Nations is consecrated*” Enshrined in the Universal Declaration of Human Rights, the right’s status as a legally binding treaty organization was affirmed in Article-19 of the International Covenant on Civil and Political Rights which states – “*Everyone has the right to freedom of opinion and expression: this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers*”. This has placed the right to access information firmly within the body of universal human rights law.

This right to information was explicitly held to be our fundamental right under Article-19(1)(a) of the Constitution of India for the first time by Justice K.K Mathew in the *State of U.P –Vs- Raj Narain*. This view was followed by the Supreme Court of India on numbers of decisions and, after public demand; the Right to Information Act, 2005 was enacted and brought into force.

The RTI Act is not new for India. Many of its States have already enacted similar Acts in the past. The RTI Laws were first successfully enacted by some State Governments of our Country, like – Tamil Nadu and Goa in 1997, Rajasthan and Karnataka in 2000, Delhi in 2001, Maharashtra and Assam in 2002, Madhya Pradesh in 2003 and Jammu & Kashmir in 2004. And there had already been a Law enacted called as ‘**the Freedom of Information Act, 2002**’. In order to ensure greater and more effective access to information the Government of India decided to repeal the Freedom of Information Act, 2002 and to enact another law for providing an effective framework for effectuating the right of information recognized under Article-19 of the Constitution of India. To achieve this object, the Right to Information Bill was introduced in the Parliament. The Right to Information Bill, having been passed by both the Houses of Parliament, received

the assent of the President on 15th of June, 2005 and finally the same came into being as '**the Right to Information Act, 2005 (Act 22 of 2005)**'. Some provisions of the Act came into force with immediate effect from 15th June, 2005 when the President gave his assent so that the public authorities could make preliminary arrangements for implementation of the Act in the field of: designation of Central/State Public Information Officers; designation of Central/State Assistant Public Information Officers; designation of First Appellate Authorities senior to Public Information Officers; framing of rules for smooth implementation of the Act; setting up of Central/State Information Commission(s); preparation of 17 manuals for dissemination of pro-active information, etc. And the Act later fully came into force in our Country, including in the State of Arunachal Pradesh, on 12th of October, 2005 after 120 days of enactment of the Act.

The Right to Information Act, 2005, is the first ever 'sunshine law' enacted by the Parliament which extends to the whole of India, in as much as, like most 'sunshine laws' it provides a right to all citizens to demand information from any public authority in India while also creating a positive obligation upon these authorities to pro-actively publish information about their functioning. It has been made applicable to all public authorities, viz, all Central and State Government Ministries; Departments; Organizations; Undertakings, Autonomous Bodies, Municipalities, Panchayat, etc, enacted by law and also covers the Union Territories. The Judiciary and the Legislature including Parliament and State Legislature are also covered under its purview.

The Right to Information Act, 2005, has been enacted to provide for setting out the practical regime of right to information for citizens. The basic objectives of this Act are to: empower the citizen to get information from any public authority; to promote transparency and accountability in the workings of the Government and its instrumentalities; to contain corruption and; to make our democracy work for the people in real sense.

The Right to Information Act, 2005, is divided into six chapters and contains thirty-one sections in the whole. All these sections of the Act had remained intact for a period of more than 14(fourteen) years from the date of its enactment on 15th of June, 2005. After such a long period of more than 14 (fourteen) years as aforesaid an amendment bill called as '**the Right to**

Information (Amendment) Bill, 2019’ was introduced in the Lok Sabha by Minister of State for Personal, Public Grievances and Pension, Mr. Jitendra Singh on 19th of July, 2019 and the same which was passed by the both Houses of the Parliament was given assent to by the President of India on the 1st day of August, 2019 called as ‘**the Right to Information (Amendment) Act, 2019 (24th Act of 2019)**’ and by which provisions of Section(s)-13, 16 and 27 of the Principle/Original Act of 2005 have now been amended. And accordingly, the Ministry of Personnel , Public Grievances and Pensions (Department of Personnel and Training) Govt. of India (Central Govt.) while in the exercise of Power conferred by clauses (ca) and (cb) of sub-section (2) of Section-27 of Right to Information Act,2005 frame the Rules, Vide Notification, New Delhi, the 24th October ,2019 called as the “Right to Information” (Terms of Office, Salaries,Allowances and Other Terms and Condition of Services of Chief Information Comissioner, Information Commissioners in the Central Information Commission, State Chief Information Commissioners and State Information Commissioners in the State Information Commission.) Rule, 2019 which came into force with immediate effect on this date of the Notification.

CHAPTER- 2

A BRIEF ABOUT ARUNACHAL PRADESH INFORMATION COMMISSION

The Right to Information Act, 2005 is a landmark legislation that has transformed the relationship between the citizen and the state. This legislation has created for every citizen to hold the instrumentalities of Governance accountable on day to day basis. The legislation perceives the common man as an active participant in process of nation building by conferring on him the right to participate in the process through the implementation of Right to Information Act.

It has been more than 14 years since the RTI Act has been in operation in the state of Arunachal Pradesh. A key strength of the Act pertains to administrative and adjudicative autonomy of Information Commission.

The Right to Information Act 2005 came into force in Arunachal Pradesh along with the rest of the country on 12th October 2005 after 120 days of its enactment. As per the provisions of this Act, State Public Information Officers (SPIO) and Assistant Public Information Officers (APIO) were appointed by the Government of Arunachal Pradesh under separate notifications. In pursuance to the provisions of Clause 3 of Section 15 of the Right to Information Act, a selection committee was constituted for the appointment of State Chief Information Commissioner and State Information Commissioners. On 13th October 2006, Arunachal Pradesh Information Commission (APIC) was constituted and the State Chief Information Commissioner Shri Nyodak Yanggam and State Information Commissioners Shri Bani Danggen, Shri Habung Payeng and Shri Nipo Nabam were administered the oath of office by His Excellency Governor of Arunachal Pradesh, on 19th October 2006. It also started monitoring the implementation of RTI Act and issued necessary instructions to various departments to comply with the provisions of RTI Act. The Commission has strived to educate the public and officials for proper implementation of RTI Act with the help of the State Government. Due to dismantling of the State Civil Secretariat for construction of new buildings, the Arunachal Pradesh Information Commission was shifted to Hotel Bomdila on 5th November 2008. The Commission continued functioning from the same place without proper facilities like court room, office chamber, furniture, library facility, housing accommodation and supporting staffs and was delivering its duties under pathetic conditions.

CHAPTER-9

RECOMMENDATION OF THE COMMISSION TO THE STATE GOVERNMENT

As per Section 25 (3)(g) the Commission would like to make the following recommendation to the Government of the Arunachal Pradesh for effective implementation of the RTI Act in the state.

REGULAR REPORT RETURN FROM PUBLIC AUTHORITIES

Although Sub Sections (2) and (3) of Section 25 of the RTI Act mandate that each Ministry and Department in relation to the Public Authorities within their jurisdiction, shall collect and provide such information to the State Information Commission, as is required to prepare the Annual Report. It has been found that only 78 State Public Information Officers (PIOs)/APIOs out 310, have submitted the report return for the purpose. The State government, through the nodal department should direct all the PIOs to submit the quareterlyreportof the Public Authority as specified under the provisions of section to the State Information Commission regularly.

INADEQUATE PERFORMANCE OF THE FIRST APPELATE AUTHORITY

As per Section 19(1)Any person who does not receive decision within the time specified or aggrievedby the decision of the State Public Information Officer (SPIO), may within 30 days from the expiry of such period or from the receipt of such a decision, prefer an appeal to such officer who is senior in rank to the State Information officer in each public authority.

It has been observed that this provision of First AppellateAuthority is being done by a very few public authorities and most of the First Appellate Authorities

do not function in the state so much so that, the department of Administrative Reform (AR) the nodal department, has not yet brought out the Rules on the First Appellate Authority.

For effective implementation of the Act, the provision of the First Appellate Authority (FAA) is to be complied with strictly. For this, the appropriate initiative is required from the nodal department of the government.

PROACTIVE DISCLOSURE

As per Section 4 of the RTI Act, it is the obligation of every Public Authority to disclose certain information onSuo Motu basis as laid down under sub-section (1) of the Section.

As per Sub Section (2) of the Section, it shall be a constant endeavor of every Public Authority to take steps in accordance with the requirments of the clause (b) of the Section 1 to provide as much information Suo-Motu to the public at regular intervals through various means of communication including internet, so that public have minimum resourt to the use of the Act to obtain information.

It has been observed that most of the Public Authorities are not strictly complying with the provisions oftheSectionby proactive disclosure of the activities undertaken by the Public Authority. It is also, abserved that many of the Public Authortiyare not even having website containing upto date information. If more and more Suo-Motu disclosure is made by the Public Authorities, undoubtedly there would be less and less people to resort to this Act for seeking information. Therefore, the Commission recommends that the Chief Secretary of the State should direct all the Public Authorities of the state to comply with the provisions of the Act strictly.

Shri T.Dabi the APIO-cum-Head Master represented the DDSE of East Siang District, Arunachal Pradesh. Shri Tagar Mibang, the appellant was also present. After hearing from both the parties, the Commission ordered as follows:

- 1) The PIO of Siang District: to furnish the list showing the name of Cook-cum-helper and the evident of the honorarium paid to them from existing eligible schools for the period from 2nd Qtr. Of 2015 to 2017.
- 2) The PIO of East Siang District: to furnish the list showing the name of Cook-cum-Helper and the evident of the honorarium paid to them from existing eligible schools for the period from 2012 to 1stQtr of 2015.

Whereas, the 3rd hearing was held on 18.09.2018. Both the parties were present. The PIO of Siang District brought the documents as per direction of the previous order and handed over to the appellant during the hearing. The appellant sought the actual receipt of the honorarium paid to the cook cum helper. The PIO clarified that they have indicated the year wise installments against which payment was made.

The PIO of Siang District also brought the information as per direction of the previous order of this court and handed over to the appellant.

The BEO also informed that some of the informations he was unable to furnish because these were totally destroyed in a fire accident in his office. He has also submitted a certificate obtained from the Police Station.

The Commission had directed the DDSEs of both Siang and East Siang Districts to furnish the remaining available information within the 10th October'2018.

Whereas, the 4th hearing was held on 16.10. 2018. Shri Birbal Rai, the APIO-cum-Coordinator, ShriAmitabPejik, DPC (MDM) represented the DDSE of Siang District, Shri Tage Aje, APIO-cum- Dist. Coordinator (MDM) East Siang and Shri Tagar Mibang the appellant were present. The appellant informed that out of total 84 (eighty four) schools only the information provided by the Rengo Middle School was found satisfactory and rest of the schools have provided incomplete information. On the query of the Commission, the APIO informed that they had issued a letter to all the Headmasters and the Teacher incharges to provide information in detail but they have failed to adhere to the notice issued. The APIO requested for some more time to be given, so that they could call meeting and instruct Headmaster and Teacher Incharges to provide detail information at the earliest. On their request the Commission had given last chance to produce the information or give a speaking order as to why the money receipts/ Acquaintance Roll of the cook cum helpers could not be furnished in the next hearing date, else penalty will be imposed.

Further, Shri Tanyang Tatak, PIO-cum-DDSE Pangin, Siang Districtis had been directed to attend in person without fail in the next date of hearing. If he was found absent in the next date of hearing, arrest warrant under section 18(3) (a) wasto be issued and also under section 20(1) penalty was to be imposed on the PIO.

Whereas the 5th hearing was held on 13.11.2018. Both the parties were present. While investigating it had been found that the honorarium for the Cook-cum-Helper of MDM scheme of schools in Siang District had been received by the Head Master/BEO etc and it was not known whether the payment had actually been made to the concerned Cook-cum-Helper of the MDM scheme or not.

Therefore, the PIO-cum-DDSE, Siang District had been directed to furnish Acquaintance Roll/money receipt duly signed by the concerned Cook-cum-Helper of each school from July, 2015 to 31.03.2017. The DDSE had to identify all Head Master/ BEO etc., who were involved in the disbursement of the amount in each school during the period and fix the responsibilities on them if they are unable to furnish the required documents. This had to be done within a period of 20 days and thereafter the information to be furnished to the appellant. The action taken report was to be submitted in the next date of hearing.

Whereas the 6th hearing was held on 11.12. 2018. Shri Birbal Rai, APIO on behalf of PIO was present. The appellant Shri Tagor Mibang was also present. After hearing both the parties the Commission ordered the APIO to furnish the remaining informations as mentioned below without further delay:

- 1) The list of all eligible schools under Siang District,
- 2) The list of Cook-cum-helper indicating the name and date of appointment and also payment details to them.

The Commission further cautioned that if the PIO fails to furnish the above said informations to the appellant within 10th January, 2019 penalty shall be imposed on him under section 20(1) and also compensation to the appellant under section 19(8)(b) of the RTI Act,2005

Whereas, the 7th hearing was held on 15.01.2019. Shri Birbal Rai, APIO on behalf of PIO was present. The appellant Shri Tagor Mibang was also present. The APIO furnished the information on the day of hearing instead of doing the same within 10th Jan'2019 as directed in the last hearing. On cursory looking at, all schools did not have the mention of cook-cum-helpers. However, the appellant was to go through it and convey his satisfaction. Therefore, the next day of hearing was fixed.

It was also made it clear that the hearing of this case cannot be prolonged any longer. Therefore, ShriTanyangTatak, PIO-cum-DDSE, Pangin, District Siang Arunachal Pradesh was asked to be present in person in the next hearing and explain the reason why penalty under Section 20(I) and also compensation to the appellant under Section 19(8)(b) of the RTI Act 2005 should not be imposed on him for delebrate delay and incomplete furnishing of informaitons.

Whereas 8th hearing was held on 19th February'2019.Shri Tanyang Tatak, PIO-cum-DDSE Pangin, District Siang Arunachal Pradesh and the appellant Shri Tagar Mibang were present. The appellant informed that he has received only the information of 42 schools and that too are incomplete. The PIO informed that out of total 86 schools only 69 schools are eligible under MDM scheme. The PIO also admitted that the remuneration to the Cook cum helper was not paid in some schools and the amount was kept with Headmaster due to the absence of the Cook cum helper. So, they contacted the Cook cum helper and tried to pay the remunerations but they did not turn up.

Whereas, the Commission noted and made observation that paying remuneration at this point of time itself is irregular and asked the PIO if remuneration was not disbursed timely, why the amount was not returned to the government exchequer?

Why, disciplinary proceedings initiated against the erring officials / teachers for keeping the government money with them for such a long period of time? The PIO could not give satisfactory and justifiable answer.

Whereas, the Commission has given reasonable opportunity to the PIO to furnish information or give convincing reasons in written for non availability of informations as sought by the appellant. The PIO could not follow the orders and directions of the Commission. Therefore, penalty of Rs. 25, 000.00 (Rupees twenty-five thousand) only under Section 20(1) of the RTI Act 2005 is imposed and also, he has been asked to compensate the appellant under section 19(8)(b) of the Act, the exact amount for the compensation will be decided in the next hearing. Further, the Commission cautioned the PIO that if he fails to furnish the remaining information and deposit penalty within 10 days in favour of the Registrar, Arunachal Pradesh

Information Commission, Itanagar through Treasury Challan in the Head of Account “0070-Other Administrative Charge” and pay the compensation to the appellant, a disciplinary proceeding under Section 20(2) shall be recommended.

Whereas, the 9th hearing was held on 19.03.2019. Shri Amitab Peijik, APIO-cum-DPC(MDM), Pangin, District Siang Arunachal Pradesh and Shri Banboh Nyitam, representative of the appellant Shri Tagar Mibang were present during the hearing.

Whereas, the appellant Shri Tagar Mibang submitted a letter No. NIL Dated 19/03/2019 through his representative stating that he has received all the information free of cost from the PIO and is satisfied with the information furnished to him.

Whereas, the appellant did not turn up to claim compensation as per the last hearing order, therefore, the compensation stands cancelled. The APIO submitted a copy of Challan No. 23644 Dated 21/02/2019 as a proof for the penalty deposited in the Head of Account “0070-Other Administrative Charge”.

In view of the above, the case is hereby disposed of.

Shri Toko Babu, the PIO-cum-ADC, Dirang, having receipt of the same, responded to the appellants vide his letter vide No.No.DRG/GA/RTI-47/2018-19/5665-67 dated-08.11.2018 to the effect, among others, that his office deposited the amount in joint account of GBs of Lish/LishGompache Village A/C No.66241010000200 (canara bank). The appellants, being not satisfied with the information received from the PIO, filed the First Appeal before FFA-cum-Deputy Commissioner, West Kameng District, Bomdila, on 04.12.2018 on a lone ground of furnishing incomplete information to them by the PIO. The FAA-cum-Deputy Commissioner, Bomdila, vide his order No.BJ/RTI-2/15 dated-21.12.2018 passed an order refixing the final date of hearing of the First Appeal on 15.01.2019 at 1100 hours as the PIO-cum-ADC, Dirang, was found absent during hearing of the First Appeal fixed on 18.12.2018. The appellant, appearing to be aggrieved by getting incomplete information from the PIO in the proceeding before the First Appellate Authority, filed this Second Appeal before this Commission on 21.01.2019. The Registry of the Arunachal Pradesh Information Commission accordingly registered the appeal, being the present appeal as APIC-16/2019 and issued processes for hearing of the appeal.

This appeal came up for hearing before the Commission for as many as 5(five) times, i.e, on 27.02.2019, 20.03.2019, 15.05.2019, 29.05.2019 & 03.07.2019. The PIO attended almost on all dates of hearing of this appeal. But, in contra, the appellants, who filed this appeal before this Commission, inspite of repeated notices to them being issued, remained completely absent during all dates of hearing of this appeal for the reason not known, in as much as, none of these five appellants, inspite of repeated notices to them being issued, has ever given any information or intimation to this Commission about their inability, for whatsoever reason, to attend in any of those dates of the hearing of the appeal. It is not out of place to mention herein that right from beginning of hearing of this appeal the PIO informed the Commission that the appellants have filed as many as seven RTI applications on different dates, wherein, seeking directly or indirectly the same information's to his utter harassment. In other words, it is the plea of the PIO that the appellants have not filed almost all applications before him in no good faith or with bone-fide intents but appears to have been so filed those all applications for seeking directly or indirectly the same the information's at all times only with intent and purpose of harassing him. More particularly, according to him, one amongst those several applications, jointly being filed by the appellants on 08.03.2018, seeks the same and

exact information's so sought in their subsequent application dated-20.09.2019, being subject-matter of this appeal, and the same which is subject-matter of the previous or another appeal registered in this Commission, being Appeal vide No.APIC-32/2018, is now lying pending disposal or sub-judice before the Hon'ble Gauhati High Court in WP(C)129/2018. The Commission, therefore, asked the PIO to file all his submissions in writing with support of all related records, if any, available in his office records. And, the PIO, whereupon, submitted his written submissions along with the related records before the Commission vide his letter No.DRG/GA/RTI-47/2018-19 dated-20.05.2019 with a request to dismiss or reject the appeal on the ground that the information sought, being subject-matter of this appeal, are the repetition of the information sought in the previous RTI application of the appellants filed by them in his office on 08.03.2018, being subject-matter of the another appeal vide APIC-32/2018, which is still lying sub-judice before Hon'ble High Court vide WP(C) 129/2018 as aforesaid.

I have also gone through the relevant contents of information's sought in the RTI application of the appellants filed on 08.03.2018 which reads as quoted – "*Kindly inform as under with regard to subject cited above –*

1. On 29.08.2017, Rs.25,00,000/-(twenty five lakhs) only was paid to YeshiTsewang through REF/CHQ NO.000000126433. Give detail reason for payment of this amount to this person.

2. On 06.09.2017, Rs.1000,000/-(ten lakhs) only was paid to YeshiTsewang through REF/CHQ NO.000000126437. Give detail reason for payment of this amount to this person.

3. On 07.09.2017, Rs.200,000/-(two lakhs) only was paid to LeikiKhandu through REF/CHQ NO.000000126438. Give detailreason for payment of this amount to this person.

4. On 11.09.2017, Rs.1000,000/-(ten lakhs) only was paid to LeikiKhanduThongkhar through REF/CHQ NO.000000126440. Give detailreason for payment of this amount to this person.

5. On 05.10.2017, Rs.00,000/-(three lakhs) only was paid to LeikiKhandu through REF/CHQ NO.0000001264532. Give detail reason for payment of this amount to this person.

6. On 10.10.2017, Rs.50,000/-(fifty thousand) only was paid to LeikiKhanduThongkhar through REF/CHQ NO.000000126481. Give detail reason for payment of this amount to this person.

7. On 24.10.2017, 1000,000/-(ten lakhs) only was paid to 'Self' through REF/CHQ NO.000000126533. Give detail reason for payment of this amount to this person.

8. On 11.12.2017, 50,000/-(fifty thousand) only was paid to DorjeeKhandu through REF/CHQ NO.000000126539. Give detail reason for payment of this amount to this person.

9. On 18.12.2017, Rs.840,000/-(eight lakhs forty thousand) only was paid to LeikiSangia through REF/CHQ NO.000000126540. Give detail reason for payment of this amount to this person.

From comparing the contents of both application dated-08.03.2018 and application-20.09.2018 it transpires that the payment of land compensation amount of Rs.4,72,72,123/-(rupees four crores seventy two lakhs seventy two thousand and one hundred twenty three) only against 27.55 acres of community land at Lishi

village, being subject in both applications and the numbers and details of information so sought in both applications are exactly the same with slight difference of use of words, like – the words used in application dated-08.03.2018 as '**Give detail reason**' is the only difference of words used in application dated-20.09.2018 as '**Mention reason**' which gives the same meaning. But the date of payment of application fees of Rs.10/-(rupees ten) only against application dated-08.03.2018 vide challan 14263 dated-06.03.2018 is quite distinct and different from the challan payment of application fees of Rs.10/-(rupees ten) only vide challan No.6694 dated-18.09.2018 against application dated-20.09.2018.

Now, after hearing the PIO in person and also after having carefully read the contents of his written submissions with the contents of those other related documents enclosed therewith and also after having careful consideration of the other available materials on records coupled with the conduct or attitude of the appellants in remaining absent during all hearing without any information to or co-operation with the Commission, I have no hesitation in holding or in arriving at a conclusion that the appellants have not filed this appeal with clean breast, in as much as, it is evident on record that subject of the application, including, all 9(nine) numbers of information's and all details of information's sought in RTI application of the appellants which was jointly filed by them on 20th September, 2018 under Form-A of the RTI Act, being subject-matter of the present appeal vide No.APIC-16/2018, are exactly the same subject with same numbers and same details of information's sought in their previous RTI application jointly filed by them on 8th of March, 2018 under Form-A of the RTI Act, 2005. It is further established from the written and verbal submission of the PIO that the said previous RTI application of the appellants dated-08.03.2018 is the subject-matter of the previous appeal filed by the said appellants separately before the Arunachal Pradesh Information Commission as an another or separate appeal registered in the Commission, being appeal vide No.APIC-32/2018, which is informed to be lying pending disposal or sub-judice before the Hon'ble High Court in WP(C)129/2018. If furnishing or non-furnishing of those information's sought in the previous RTI application of appellants is a matter under challenge before the Honble High Court which is lying pending disposal or sub-judice before it for a decision and leading thereby to the passing of a rule/order dated-21.03.2018 by the Hon'ble High Court in WP(C)129(AP)2018, whereby, staying the order dated-28.02.2018, imposing a penalty of Rs.25000/-twenty five thousand) against the PIO, being passed by the Arunachal Pradesh Information Commission in Appeal No.APIC-32/2018, such filing of another RTI application at later stage on 20.09.2018, seeking the same or exact numbers and details of information of whose furnishing or non-furnishing to the appellants by the PIO is under challenge before any such court law for a proceeding or decision and the disclosure of which may thereby affect or interfere with such proceeding or decision of such court of law on such matter may amount to contempt of such court of law. Related context of the law as provided in clause (b) of sub-section-(1) of Section-8 of RTI Act, 2005 is, thus, referred herein as quoted – "**8. (1) Notwithstanding anything contained in this Act, there shall be no obligation to give any citizen, -**
(b) information which has been expressly forbidden to be published by any court of law or tribunal or the disclosure of which may constitute contempt of court." That is to say, there shall be no obligation on the part of the PIO to give

any citizen – any information the disclosure of which may constitute contempt of court. Even otherwise, or without regard of the matter as discussed aforesaid, the RTI Act, 2005, also does not permit the citizen to file repeated applications at different stages, whereby, seeking the same information under the RTI Act. In the present case, the appellants have, thus, been found to have jointly filed the present appeal before the Arunachal Pradesh Information Commission without any disclosure of the fact that the numbers and details of information so sought in their RTI application dated-20.09.2018, being subject-matter of this appeal, are the same or exact numbers and details of information sought in their previous RTI application jointly filed by them before this Commission on 08.03.2018 and the same, as such, amounts to suppression of material facts before the Commission which is, thus, very much a valid ground for rejection of the appeal apart from the ground that such filing of repeated applications, seeking the same information's at different stages before the same public authority are not permissible under RTI Act, 2005.

In view of all above, I find this appeal fit to be rejected. And, accordingly, this appeal is rejected with an admonition to the appellants not to file such repeated applications at different stages for seeking the same information in the near future without which the same would be nothing but a misuse of the Act, leading either to undue harassment of the public authorities or to unnecessary wastage of time of the First and Second Appellate Authorities as provided under RTI Act, 2005. And, in the result, this appeal stands disposed off and closed. Judgment/order pronounced in the open Court today on this 3rd day July, 2019. Each copy of this judgment/order be furnished to the parties.

Given under my hand and seal of this Court/Commission on this 3rd day July, 2019.

JUDGMENT/ORDER

This is a second appeal filed by the appellant under sub-section (3) of Section-19 of the RTI Act, 2005. Brief fact of the case is that one Shri KurungDolo, appellant of this appeal filed an RTI application under Form-A before the PIO-cum-EE, PWD, Jairampur Division, Changlang District, on 04.02.2019, whereby, seeking various information's, regarding fund sanctioned under SADA and SIDF during the year of 2017-18 against the name of works as follows:

- (1) Extension of Mio Township road (3.00 Km) (SH:Earth works & CD works).
- (2) Re-carpeting of Kharsang Township road (3.00 Km)
- (3) C/o Multi-purpose Hall near Living Hope School at Nongtham.
- (4) C/o Infrastructure Development at General Ground, Kharsang in Changlang District, Jairampur.
- (5) C/o Double Storied School Building at Lower Miao.

This application of the appellant was received by the PIO on the same date of submission of the application on 04.02.2019, in as much as, the person receiving the application duly acknowledged the receipt of the application on the body of the application. But the appellant did not get any response from the PIO and, being aggrieved of the same, the appellant filed the First Appeal before the SE-cum-FAA (First Appellate Authority) on 08.03.2019. And, the appellant again, having failed to receive the information so sought from the First Appellate Authority, filed this Second Appeal on 03.05.2019 before the Commission under sub-section (3) of Section-19 of the RTI Act. The Registry of the Commission (APIC), having receipt of the appeal, registered the

same as APIC No.69/2019 and, thereafter, issued necessary processes for hearing of the appeal.

Accordingly, this appeal came up before the Commission for 3(three) consecutive times for hearing on 12.06.2019, 24.07.2019 and on 21.08.2019. In the course of hearing of the appeal the appellant remained present almost on all dates of hearing but the PIO, instead of attending the hearing in person before the Commission, deputed his Assistant Engineer for attending the hearing of the appeal in his behalf. In the first hearing of the appeal on 12.06.2019 his Assistant Engineer Mr. Okep Dai attended the hearing but he did not have any dispute as to the fact that the PIO had already failed to furnish the information sought to the appellant within prescribed period of 30 days as provided in sub-section (1) of Section-7 of the RTI Act, 2005. However, the said representative of the PIO expressed his readiness on behalf of the PIO to furnish all information's sought to the appellant with an assurance to furnish the same within a period of 20 days time and in the event of his failure to do so to be imposed reasonable penalty upon him which was agreed upon by the appellant. And, in terms of such assurance given by the representative of the PIO, the Commission directed the PIO to furnish all information sought to the appellant within a period of 20 days time from this date of first hearing of the appeal and failing which to be imposed a reasonable penalty on the PIO and fixed the next date of hearing of the appeal for disposal on 24.07.2019.

On the next fixed on 24.07.2019 PIO, in lieu of his appearing the hearing in person, again deputed his another AE Mr. Taw Kero for representing him in this second hearing of the appeal. It is now pertinent to point out herein that 20(twenty) days time given to the PIO for furnishing all information's sought to the appellant expired on 02.07. 2019 but the PIO failed to furnish all information's sought to the appellant within the said assured period of 20 days time. The facts, therefore, remain that the PIO, who has already been found failed to furnish the information within prescribed period of 30 days in clear violation of sub-section (1) of Section-7 of the RTI Act, was again found to have failed to comply with the direction of the Commission passed during first hearing of the appeal on 12.06.2019 to furnish all information sought to the appellant within 20 days time from the said date of hearing. The said Officer representing the PIO in the second hearing on 24.07.2019 also could not make any explanation to the Commission as to why the PIO had failed to comply with such direction of the Commission to furnish the information sought to the appellant in 20(twenty) days time. Not only that the said representative of the PIO appeared to have no any knowledge about the said order passed by the Commission in the first hearing of the appeal and was found attending this second hearing without any readiness or preparation for furnishing of the information sought to the appellant and the same, as such, gave rise to a circumstance appearing to be that he had been deputed by PIO to appear before the Commission in his behalf in the second hearing of the appeal without any proper instruction, whereby, leading to denial of all information to the appellant from beginning until this second hearing of the appeal. The Commission, in view of such facts and circumstances as aforesaid, observed that Er. Mitun Mize, PIO-cum-EE, PWD, Joirampur Division, Changlang District of Arunachal Pradesh was found prima-facie liable for imposing reasonable penalty for his refusal in furnishing the information sought within prescribed period of 30 days in violation of sub-section (1) of Section-7 of the RTI Act, including, for his neglect towards order/direction of the Commission, whereby, leading to denial of information to the appellant from beginning till the stage of second hearing of this appeal. However, with a view to afford him an opportunity of hearing in terms of the law as provided in the first proviso to sub-section (1) of Section-20 of the RTI Act as to

why he should not be imposed penalty for his denial or refusal to furnish the information so sought under RTI Act to the appellant within prescribed period of 30 days as provided in sub-section (1) of Section-7 of the Act, a show cause notice dated-25.07.2019 was issued against him to the said effect with a further direction to him to appear before the Commission in person on 21.08.2019 at 10.30 AM for furnishing replies to the show cause notice or to explain away the circumstances about why he should not be imposed a reasonable penalty in terms of the law as provided under sub-section (1) of Section-20 of the Act.

Finally, today, i.e, this 21st day of August, 2019 is the date fixed for personal appearance of the PIO before the Commission for furnishing replies to the Show Cause Notices issued against him or for explaining away the circumstances, if any, about why he should not be imposed penalty under sub-section (1) Section-20 of the RTI Act. Appellant Shri KurungDolo is present. PIO Er. Mitun Mize, is, though not present, again represented by his Assistant Engineer, Mr. Okep Dai, who represented him (PIO) during first hearing of the appeal and the both appellant and representative of the PIO present being heard.

In the course of hearing the appellant informed the Commission that the PIO has not furnished him all information sought within the assured period of 20 days in complete disregard of the direction passed by the Commission in the first hearing of the appeal to furnish all information sought to him (appellant) in 20 days from the date of the order. Appellant, infact, admitted to have received some of the information's so sought but again informed to have not been furnished some of the information sought by him in his application under Form-A and amounted thereby to furnishing of incomplete information in terms of RTI Act and that such partly furnishing of information's so sought under RTI Act was not only an act of furnishing incomplete information under RTI Act but the same had also been sent by post after lapse of more than a month of the date of the order aforesaid in clear violation of order passed by the Commission during first hearing of the appeal to furnish him all information's sought in 20 days time from the date of the order.

Mr. Okep Dai, Assistant Engineer, informed the Commission that he is representing the PIO and submitted a letter vide No.JD/RTI/2019-20/1461-62 dated-14.08.2019 being sent by the PIO to the Commission, wherein, informing the Commission that he would not be able to attend the hearing today as he would be going for a 5(five) days training to be held from 19th to 22nd of August, 2019 at CVRI-Roorki, Uttrakhand. In this context it is pertinent to mention herein that today is date specifically fixed for hearing of the Show Cause Notice issued against Er. Mitun Mize the PIO-cum-EE, PWD, Joirampur Division, Chanlang District, Arunachal Pradesh, with intent and purpose of giving him an opportunity of representation or explanation as to why he should not be imposed penalty under sub-section (1) of Section-20 of the RTI Act. But, surprisingly, the PIO, instead of availing the opportunity of making appearance or representation for explaining away the circumstance, if any, as to why he should not be imposed penalty, has again deputed his Assistant Engineer Mr. Okep Dai to represent him and to hand over his said letter dated-14.08.2019 to the Commission which discloses, inter-alia, about his inability to appear the hearing as aforesaid but without a whisper of the show cause notice dated-25.07.2019 issued against him. It is pertinent either to remind herein also that the Commission observed and ordered during second hearing of the appeal on 24.07.2019 in the presence and hearing of the representative of the PIO Er. Taw Kero (Assistant Engineer) to the effect that the PIO,

being prima-facie found liable for imposing penalty under sub-section (1) of Section-7 of the Act, shall be issued a show cause notice with a direction to him to furnish the replies to the show cause notice on the next date of hearing fixed today on 21.08.2019. I have, therefore, a reason for believing or presuming under the law that the PIO, who was being duly represented by his AE Mr. Taw Kero during second hearing of the appeal, was well informed of such observation made and order passed against him by the Commission for issue of a show cause notice against him and for furnishing of replies thereof on this date fixed today. That is to say, the PIO, who is presumed under the law to have been well informed of the observation and order passed against him as aforesaid, had sufficient time for preparing his written replies or explanation to the show cause notice which could have been sent through the officer representing him in the hearing today, if he could not be personally present due to any such unavoidable circumstances as mentioned in his letter to the Commission as mentioned herein-before. And, therefore, now the fact remains that the PIO has failed to avail the opportunity given to him for explaining away the circumstance, if any, as to why he should not be imposed penalty under sub-section (1) of Section-20 of the RTI Act, 2005 and, in the whole, it is, thus, observed that neither the PIO himself nor those officers deputed by him for representing him during hearing of this appeal has been able to give any reason or to explain away the circumstance, if any, about why the PIO had denied or refused to furnish the information sought to the appellant within prescribed of 30 days as provided in sub-section (1) of Section-7 of the RTI Act and in absence of which there is no escape from concluding that the PIO had denied or refused to furnish the information sought under RTI Act to the appellant within prescribed period of 30 days without any valid reason thereof and the same, as such, amounts to clear violation of the provision of sub-section (1) of Section-7 of the RTI Act liable for imposing a reasonable penalty under sub-section (1) of Section-20 of the Act.

Considering the facts and circumstances as aforesaid I have arrived at a conclusion that the PIO is fit or liable for imposing penalty under sub-section (1) of Section-20 of the RTI Act, 2005. And, accordingly, I do hereby order and direct as under:

1. Er. Mitun Mize, PIO-cum-EE, PWD, Joirampur Division, Changlang District, Arunachal Pradesh, shall pay a fine of Rs.25,000/-(rupees twenty five thousand) only for his refusal to furnish the information sought within prescribed period of 30 days without any valid reason. Such payment of fine shall be made through challan payment in favour of the Registrar of the Arunachal Pradesh Information Commission, Itanagar, in the head of account vide No.0070 within a month from the date of receipt of this judgment/order.
2. He shall pay a compensation amount of Rs.10,000/-(rupees ten thousand) only to the appellant and the payment whereof shall be made in any mode convenient to the PIO (judgment-debtor) within a month from the date of receipt of this judgment/order.
3. He shall furnish all information's sought in complete to the appellant within a month time from the date of receipt of this order.
4. Provision of sub-section (2) of Section-20 of the RTI Act, 2005 may be invoked for a disciplinary proceeding against him in the event of his default of payment of fine or

compensation or of his failure to comply with all or any of the above orders passed against him (PIO).

Judgment/order pronounced in the open Court today on this 21st day of August, 2019.
Each copy of this judgment/order be furnished to the parties.

Given under my hand and seal of this Court/Commission on this 21st day of August, 2019.
